News Briefs

Town meeting planned

Citizens in the City of South Bay are planning a town meeting for October 5 at 7 p.m. at city hall.

The event is in celebration of Florida City Government Week, October 3-9. The governor and cabinet approved a resolution designating the week with the theme: My City...I'm Part of It...I'm Proud of It.

"We are very excited about the upcoming events," said Mayor Clarence Anthony. "We believe the City of South Bay and the municipalities of Florida have a timely opportunity to help Florida residents become more informed about the services of our city governments which, in turn, will lead to more knowledgeable citizen participation."

Fundraiser planned

The Canal Point United Methodist Church is having a roast beef dinner fundraiser to purchase a new air conditioner for their sanctuary.

They will serve Bo Austin's roast beef dinners on Saturday, October 9, from 3 p.m. until 7 p.m.

There will also be a bake sale at the same time.

The church is located at the intersection of US Highway 441 and Second Street, in Canal Point.

Young at Heart

The Young at Heart group will meet for a pot luck lunch at noon, October 7 at James Hall, Community United Methodist Church.

Mrs. Mary Kannel, Client Services Coordinator for the Comprehensive AIDS program, will be the speaker.

Anyone wishing to attend the meeting is welcome.

Gospel sing

The Sunset Gospel Jubilee will present a gospel sing on Friday, October 1 from 7:30 p.m. to 9:30 p.m. Several groups will be singing, including the Sunshine Trio and the Singing Eads Family.

The event will be at the Pahokee Church of the Nazarene, 480 Bacom Point Road, Pahokee.

This monthly sing is sponsored by the Women's Auxiliary of the Glades Health Care Center. The Auxiliary provides extra activities to the patients and a freewill offering will be received to help with their programs.

Jimmy Sims with Sugar 900 radio station, Belle Glade will be the MC for the event.

The Community Sing is open to the public. For more information, call Pastor Bob Dever at 924-7998 or Carol Pruden at 924-2767.

Revival services

The community is invited to revival services at First Baptist Church of Pahokee on Sunday, October 3 through Wednesday, October 6.

Services begin at 10:45 a.m. Sunday morning and at 7 p.m. each evening.

Evangelist Danny Lanier from Mississippi will be the speaker. A nursery and transportation will be provided. Please call 924-7132 for more information.

Three-year-old killed after running out in front of car

Pricilla Martinez

By Brenda Bunting
SUN Editor

Funeral services were held Monday afternoon for 3-year-old Pricilla Martinez who was struck and killed by a car in front of her home last Saturday.

The investigation is not completed, but Officer T.E. Murphy said witnesses at the scene said the child ran into the street and then turned back toward her house when she was struck on the right side of her body.

The child was taken to Glades General Hospital where

she was pronounced dead at 1:15 p.m. The accident occurred at Northwest Second Street and Northwest Avenue D, Belle Glade.

Skid marks show the driver, 29-year-old Maribel Thomas, skidded for several feet to avoid hitting the child.

Pricilla's father, Arturo Martinez, was in his front driveway washing his truck at the time of the accident. The mother, Norma Martinez had walked across the street to put out trash.

Officer Murphy said Mrs. Martinez claims her daughter

was on the side of the road when she was hit. His investigation shows the child was seven feet, two inches into the roadway when the accident happened. Five witnesses to the accident, in addition to Ms. Thomas, told the same story.

Ms. Thomas has not been charged in the accident, although Officer Murphy said he believes from the evidence, she may have been going a little over the speed limit.

Young and young-at-heart can participate in Saturday's Heart Walk

Last year, two "Grannies with a Heart" out walked many younger participants at the American Heart Association's annual Heart Walk.

This year, the leisurely 6.2 mile walk is expected to draw over 300 walkers.

The number of scheduled walkers for this year's event has already doubled last year's turnout, according to Dee Rickard, Program Director for the Heart Association.

The national walking event is held annually in October throughout communities across America to support the fight against heart and blood vessel diseases, the nation's number

one killer.

Those wishing to participate should pick up pledge sheets at the Belle Glade Chamber of Commerce before Saturday's event.

Registration will begin at 8 a.m. at the Belle Glade Marina Pavilion with team photos immediately after registration. Exercise warm-up will begin at 8:15 a.m. and the walk will begin at 8:30 a.m. Walkers will hike along SR 717 and back to the Marina.

All participants raising over \$75 will receive an American Heart Association five-color t-shirt. Other prizes for higher pledge amounts will also be given.

Bagging for charity. Local celebrities volunteered their time to help raise money for the American Cancer Society Tuesday by bagging groceries at Winn Dixie. The store donated five percent of Tuesday's sales to the Cancer Society's Lope Lodge, a home away from home for cancer patients and their families at Jackson Memorial Hospital in Miami. Shown, from left, are Sandra Chambliss, Board member at Glades General Hospital and of the American Cancer Society, Barney Weeks, Board member of the Belle Glade Chamber of Commerce and Iris Tanner, Executive Director for the Chamber. Pahokee sets millage rate

By David Ranieri
Staff Reporter

The City of Pahokee finalized the 1993-1994 budget and set their millage rate Tuesday night, but questions concerning economic development and city cleanup still loom large in the mind of commissioners and citizens. Fifteen citizens showed up to hear the results.

Glen Cline, finance director, announced the city's fiscal budget will be \$2,218,685 and the millage rate has been set at 7.8430.

But in order to make the city more appealing for people to live and survive financially in the future, commissioners and citizens said they feel Pahokee must focus its efforts on economic development and cleanup. McCrory and Glades Mercantile closed their businesses in the city in 1992 and Glades Ford moved to Belle Glade that same year.

Thomas Davis of Bacom

Point Road and Lewis Friend both spoke to the commissioners concerning the removal of unsightly garbage containers that area businesses and homeowners place by the side of the curb, potholes in the roads and decaying sidewalks.

Commissioner Keith Babb agreed with Friend and Davis.

"We need to have at least two workshops, he said. 'It's an extra effort we need to put forth. Our main effort has been the campground, but other than that what have we done?'"

Cable Vision Industries negotiations with local broadcasters were revealed and the possibility of hiring police officers for events at Pahokee/Middle Senior High School were also discussed.

Doug Kelly, System Manager of Cable Vision Industries, addressed the commission about the present situation between CVI and local broadcasters.

Beginning October 6, CVI must have the consent of local television stations to rebroadcast their signal.

Kelly announced that CVI has reached agreement with WLTW, WTVX and WCSV. He also announced that CVI has reached an agreement with WFLG Channel 10 to rebroadcast their signal through 1994.

CVI is currently negotiating with WPTV, WFLX-Fox 29 and WFLG Channel 10.

Kelly said he could not reveal some of the details of the discussions CVI has had with local television stations because of anti-trust laws.

The commission also discussed the possibility of having police officers at events such as dances and social functions at Pahokee/Middle Senior High.

Commissioners all agreed that some type of supervision needs to be provided at school, but details have not been finalized.

City plans new recycle program

In an effort to provide more personal and improved collection service to area residents, the City of Belle Glade will initiate its own recycling program beginning Wednesday, October 6.

Recycling is just one of the ways Belle Glade residents can help to improve the environment, said City Manager Lomax Harrelle. "All area residents are being urged to learn more about recycling and to participate in the city's new collection program," he said.

The city has purchased a new recycling truck, and the Solid Waste Authority of Palm Beach County has been assisting and training city staff for the new program. Public Works Director Frank Green said, "We are excited about this new service, and expect a smooth transition to the city's recycling collection." Previously, recycling collection service was contracted out to a private concern.

All residents will be receiving doorhangers this week explaining the new service. The day of collection service will be marked on the back side of each doorhanger.

For more information call 996-5865.

Belle Glade is preparing for its new recycling service which begins on October 6. Checking out the new recycling truck are Jim Green, Residential Recycling Coordinator for the Solid Waste Authority, Danny Peres, Belle Glade Sanitation Administrator, Johnny Lee Huggins, equipment operator for the City, and Michael Russell, Collection Supervisor for the Solid Waste Authority.

Diagnostic Imaging Center of the Glades

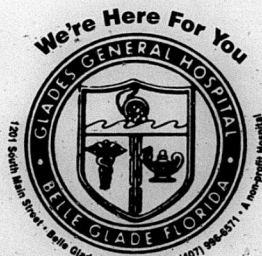

Glades General Hospital Radiology Unit. Caring For Our Own Here At Home.

There has been a breakthrough in the delivery of Healthcare in the Glades. "The Diagnostic Imaging Center of the Glades" located in Glades General Hospital, has brought the first hospital based MRI system to the area. Today's doctors and patients demand the highest quality services utilizing the latest in technology. Glades General is meeting these demands by providing state-of-the-art services such as MRI, Spect Nuclear Medicine, Color Doppler Ultrasound, and special procedures. These enable us to provide routine testing or specialized exams such as Cardiac Stress tests, Vascular studies, needle biopsies and aspirations. The decision is yours. You can travel long distance for your diagnostic needs or come to Glades General Hospital and get the care you deserve.

GLADES GENERAL IN THE CENTER OF YOUR HEALTHCARE NEEDS.

To make an appointment, or for further information,
call "The Diagnostic Imaging Center of the Glades" at (407) 996-6571 - Ext. 460.

Swedish student feels welcome at Glades Day

By Brenda Bunting
SUN Editor

Far away from home and family, Swedish born Jonas Barrestam, 17, says he is having a great time in America.

An exchange student from Uppsala, Sweden, the blond haired, blue eyed young man is attending Glades Day School for one year. He is taking mostly senior level classes, with some junior classes, including American History and English.

Americans might take a few lessons from Jonas when it comes to the English language. He has been studying English since the fourth grade, and except for a few slips in pronunciation, speaks the language well.

Jonas is living with his host family, Dr. Allen Weiland, a dentist and his wife Linda and two children, Adam and Zack, in Clewiston. He has been in the states for about six weeks and said everyone has made him feel very comfortable here. "I don't miss my parents too much," he said, "but I miss my brother and sister."

His older sister, Elin, encouraged him to try for the exchange student program. She was an exchange student two years ago and stayed with a family in Texas. Jonas said she had some great experiences.

"She told me she wished everyone who wanted to do this could do it," he said. She also went home with an American boyfriend.

Asked what differences he sees in American lifestyles versus Swedish, Jonas said the weather was a tough adjustment.

He is playing wide receiver

for Glades Day School's football team this year. He talked about a recent incident.

"The first day I went to football practice it was 98 degrees," he said. "I thought, 'I was going to die. Now I'm getting used to it.'"

He said football is not as big a sport in Sweden.

Another difference he noticed was the abundance of groceries available at the supermarket, especially the varieties of cereal.

"It's small things. We went to U-Save and the guy puts the groceries in your bag. I'd never seen that before. They don't do that at home," he said.

Jonas is also impressed with how nice everyone has been to him.

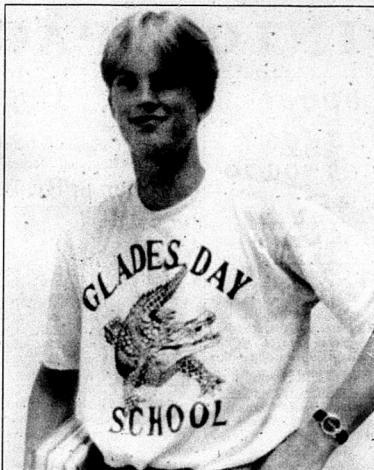

"They want to show me everything. I've been to the beach, Disney World, and the parents want to take me on airboat rides," he said.

The students at Glades Day have been helpful to the new kid on the block. They offer advice, question him about his home and offer him rides at lunchtime.

Jonas said he feels bad because he doesn't have a driver's license or a car and must rely on others for transportation if he wants to go off campus for lunch.

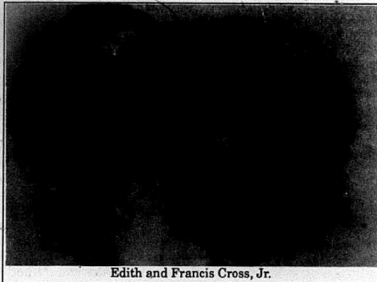

In Sweden, Jonas would be going into his junior year. He will get no credit at home for this year of schooling and will have to go back as a junior, but he said it's worth it.

"I really think you grow up when you do something like this," cause my sister was a totally different person when she came home," he said.

A new adventure...Swedish exchange student Jonas Barrestam is enjoying his stay in the United States. He says Americans are very friendly and helpful. Jonas is attending Glades Day School and will go home to Sweden in June or July of 1994.

Cookbook by Glades pioneer contains more than your regular recipes

Edith and Francis Cross, Jr.

By Brenda Bunting
SUN Editor

Recipes of the late Edith Cross have been lovingly saved by her daughter-in-law, Gene Cross, and recorded in a cookbook.

The cookbook, titled "Edith's Receipts, And More..." was originally planned as a gift for children and grandchildren. It was finished in February, 1993, just one month before Edith's death.

Gene Cross said after others in the community saw the cookbook, they began asking for copies and now the recipe book is available at Everglades Trading Company and Office Supply for a modest fee. Cathy Cross, whose husband, Brynne, is the grandson of the late Edith and Francis Cross, owns Everglades Trading Company. They recently purchased Raulerson's Office Supply and changed the name.

Proceeds from the cookbook have been donated to Canal Point United Methodist Church, where Mrs. Cross was a long-time member. Edith Cross, who died March

9 of this year, was an accomplished cook and homemaker. Daughter-in-law Gene Cross compiled the recipes, along with clippings of news events from the 1930's, 40's and 50's and health and beauty tips, from material Edith had stored at her home.

Mrs. Edith Cross was born in 1903 in Astatula, Florida. She was the fifth child in a family of seven. When she was a teenager, her family moved to Kramer Island, near Pahokee. Her father, William Bolan Moon, moved to the area to try his hand at farming.

This was where she met her future husband, Francis Cross, whose mother was the post master and whose father had a fishing business.

While the Cross family was living on the island, Edith's son and only child, Francis W. Cross, Jr. was delivered at Good Samaritan Hospital, West Palm Beach, on October 14, 1920. Gene (Rushing) Cross later became the wife of Francis Cross Jr.

Edith and Francis moved to

New preacher at Church of Christ

Robert C. Lupo is the new preacher at the Belle Glade Church of Christ, 125 N.W. Avenue D, Belle Glade.

Rev. Lupo is a native of Palm Beach County and he grew up in Lake Worth. He graduated from Lake Worth Community High School in 1962 and married his high school sweetheart Dolores Jean Scotton in March of 1963.

The couple have been married for 10 years and have five chil-

dren: Victoria, 9, Sara, 8, Jennifer, 6, Cecilia, 5, and Joseph, 2.

Rev. Lupo was graduated from the Florida School of Preaching in Lakeland in 1989. During his last year there, he worked with the Central Church of Christ in Haines City, Florida as an Associate Minister.

In September of 1989, he and his family moved 3,500 miles from home to Buhl, Idaho where he worked as the church's full-time preacher. he also worked with the Mt. Olive Church of Christ in Live Oak, Florida for about one year. Rev. Lupo said his goals are to preach the simple Gospel of Christ without addition or subtraction.

He said he is glad to be in the Belle Glade area and hopes to serve the community for a long time.

The Belle Glade Church of Christ is about to celebrate its 50th Anniversary.

Ft. Lauderdale where he was a boat engineer/captain on a tugboat and after a couple of years, they moved to the Canal Point area.

Francis worked as a toll house keeper on Conner's Highway which was opened July 4, 1924.

During this time, according to Gene Cross' recollections in the book, her father-in-law operated a speedboat for Southern Sugar Company, forerunner of the U.S. Sugar Corporation.

He transported dignitaries to and from West Palm Beach. he also carried the first sugar mill building from Graham's Dairy to Clewiston by barge.

Later in his career, Mr. Cross worked as a deputy sheriff and then a constable for sixteen years for Palm Beach County in the Glades. He also remained a part-time farmer.

Edith worked as the clerk for Hoy and Lucille Miller at the Canal Point Drug Store for over 20 years and later worked for Mel Paul, the pharmacist who took over the business.

In an excerpt from the book, Gene Cross says "Edith was a homemaker, a number one ironer and an excellent cook. This, with her natural beauty, which was a legend in itself, was a real combination."

"Edith reigned supreme in the kitchen, and like her father, she was very good with plants and shrubs... She could also crochet and tat."

Gene Cross said the stories in the cookbook are "part of a lovely young woman who became an accomplished homemaker in the Glades. Her work was done well and with pride."

"She gave it her best. And, her best was second to none."

Debra Del Davis and William Turner Swope

Swope - Davis to wed Saturday at First Baptist

Mr. and Mrs. John Davis of Belle Glade are announcing the engagement of their daughter, Debra Del Davis to William Turner Swope, son of Mrs. Lone Swope of Coral Gables, Florida.

Debbie is a 1991 graduate of Florida Atlantic University. She is employed by the Sun-Sentinel Newspaper as an inside sales account executive. Bill served in the military as

a helicopter pilot. In July, he was graduated from the Broward Police Academy. He is employed by the Miami Airport.

The wedding will take place Saturday the second of October at three o'clock, First Baptist Church, 17 North West Avenue B, Belle Glade.

Friends and relatives are invited.

Mr. and Mrs. Thomas Mikovsky

Mikovsky and Baer wed

Thomas L. Mikovsky and Marianne C. Baer were married Saturday, September 4 at 1 p.m. at the First United Lutheran Church in Kennesaw, Georgia.

The groom is the son of Ed and Nancy Mikovsky of Belle Glade. The bride is the niece of Harold and Vicky Stokes of Marietta, Georgia.

Mr. Mikovsky was graduated from Glades Day School in Belle Glade and the Florida International University. He is employed by A.R.A. Food Services.

The couple is living in Nashville, Tennessee.

Hours for Golden Glades Hospice Resale Shop

Store hours for Golden Glades Resale Shop were listed incorrectly recently. The store, located at 25 S.E. Avenue E, Belle Glade, is open from 10 a.m. to 5 p.m. Tuesday through Saturday. The proceeds from the store

will be used to benefit Hospice clients in the Glades.

The store carries gently used clothing, household items and nicknacks. They also accept donations. Call 996-8839 for more information.

Wise up

What a meeting last Monday at City Hall. More people should have voiced their concerns, but really, what good would it have done since one commissioner just stormed out and two others didn't even bother to appear. These guys must really take their job/position very lightly and don't care about what happens to Belle Glade.

Come on, from what I heard Tucker did a great job and he has only the interest of Belle Glade in his heart.

More people should wise up, start asking questions, lots of questions, get involved. After all - it is your city, please start caring about it.

Let's take a look

I must have missed something in the hum-drum of local politics last week. Thinking it over, I've concluded that it was the old idea of Freedom of Speech. The City of Belle Glade is in deep trouble when people think there's a 'hidden agenda' when one of our elected officials speaks what's on his mind.

The seat of a city commissioner is one of public trust. Their first responsibility is towards the citizens of Belle Glade and not to a handful of 'special' interest groups.

Did anyone take notice of who the majority of the people sitting in that audience were? Could it be them with the 'hidden agenda'? Are we going to allow such groups to dictate policy in our city?

Whether anyone agreed with Mr. Tucker's comments or not, he had the right to be there, and he had the right to express his opinion and should do so anytime he sees fit. He not only has the right he has the obligation and the duty to do what he feels needs to be done to protect the city.

Mr. Tucker, I do not know why you've lost faith in Mr. Harrelle's ability to run the city, but maybe we ought to take a closer look.

More on Harrelle

About time our city leaders (at least two commissioners) realized what's going on and are doing something about it.

Our city manager does need to be replaced or have great accountability - he has been let go too long.

Keep up the good work Tucker/Bailey.

Handled badly

I was shocked over the way the 'Special' Commission meeting was handled on Monday night, September 22, 1993.

To hear one Commissioner talk so unethically to another Commissioner...and, for that same

Commissioner to have told 75 constituents that they were a waste of his time. No wonder the people of Belle Glade lack empathy and so few citizens attend the Commission meetings. Obviously, we are not wanted.

Keep up the good work Commissioner Tucker. At least we know that you truly care about the citizens and the city of Belle Glade.

Editor's note: In fairness to Commissioner Steve Weeks, I must say that he did not say the audience in attendance at the special meeting was 'a waste of his time' he said 'It's a waste of my time tonight to be here. You do what you want; I'm going to a booster club meeting.'

Story is unclear

I'm calling in reference to the Lomax Harrelle story. I'm just wondering what's going on with the city. I can't understand the story well. It is not clear, and please don't keep us in suspense, just let us know if there's problems with the city commissioners.

Thank you very much.

Editor's note: I'm not sure what part of the story was unclear for this caller. The story related that a special meeting had been called to evaluate the city manager's performance. One commissioner and the mayor felt there were some problems, from conversations they had with city employees and from personal experience. One commissioner felt Mr. Harrelle's work performance was good and two commissioners did not attend the meeting.

Since Florida's Government in the Sunshine law forbids two commissioners to get together to discuss city business without inviting the press, we can only assume that what took place at the meeting was an above board disagreement. The story also includes short interviews after the commission meeting with Commissioner Happy Tucker, who asked for the special meeting, and with Commissioner Harma Miller, who was not at the meeting but was interviewed over the telephone the day after the meeting. We were unable to reach Mr. Harrelle and Commissioner Dan Bythwood for their comments.

Thieves among us

Last Sunday, September 19, I saw two adults steal probably 100 napkins each from the dispenser at Burger King.

One of the adults also refilled his large cup of soda, not once, but twice. While a convenience to honest customers, perhaps Royals Incorporated, given its clientele, would be better off having employees distribute such items.

Those two adults prove the old saw 'what's the world coming to' It seems we're living in a world of just thieves, major and minor.

Guest Commentary

By Dick Meyer
Director of Community Relations
Everglades Regional Medical Center

October is Breast Cancer Awareness Month

action now. Those circumstances which increase the chances for breast cancer include:

- Being older than 50
- Having a personal or family history of breast cancer
- Never giving birth
- First giving birth after age 30.

There is also mounting evidence that a high fat diet can increase the risk of breast cancer. Contrary to some beliefs, an injury to the breast may call a woman's attention to a tumor that is already there, but cannot cause breast cancer.

The good news from the American Cancer Society is that the number of deaths due to breast cancer could be much lower if more women followed the simple steps recommended for them according to their age group. By following these simple steps, women can help ensure that developing breast cancers are caught in their earliest, most curable stages.

Action you can take

If you are age 20 and over, you should conduct a monthly breast self examination. This should be done seven days after your menstrual period starts. After menopause or a hysterectomy, breasts should be examined on a consistent day of each month (such as the first day of the month). Specifics on this procedure are outlined in many free handouts and is included in the free 1994 woman's planner calendar which Everglades Regional Medical Center has

available from its Woman's Health Care Center department. Any changes or irregularities should be reported to your physician immediately.

Women should also have a professional clinical breast examination every three years, until they are forty and then, after age forty, should have an annual examination done.

The most frequently talked about procedure is the mammography. The American Cancer Society guidelines for a mammography are as follows:

- If age 40 to 49 you should have a mammography every one to two years.
- If 50 years and older, then you should have an annual mammogram.

If you notice any symptoms such as masses or lumps, then you should see your physician immediately to arrange for the correct type of procedure and reassurance of the medical situation.

To support the American Cancer Society declaration that October is breast cancer awareness month, Everglades Regional Medical Center is offering a 50% cost reduction for the mammography screening.

For more information call the Woman's Health Care Center's radiology department at 924-5200.

Now is the time for all women to start early detection actions appropriate for their age which can help to prevent breast cancer from severely affecting their life.

Ask Dr. Boltson

Dr. David Boltson is the associate director of the Western Palm Beach County Mental Health Clinic in Belle Glade, and is a licensed psychologist in private practice in Lake Worth.

"I'm so depressed..."

Most people will express or feel the preceding sentiment many times throughout their lives. People can get upset or sad for a variety of reasons. Some anguish over the appearance of a pimple before a new date, others can be frustrated over not getting an expected promotion, and others grieve and cry over the death of a loved one.

People can get upset over small and large changes in their lives. Some can handle a lot of stress, while others fly off the handle over relatively minor inconveniences.

People commonly say they are 'depressed' when they are not happy about some things in their lives. Psychiatrists use the word 'depression' in a different way to reflect a life-obstructing mood disorder.

I have spoken with many patients who want to know if they are showing symptoms of a depressive illness or whether they have a normal sadness that will go away with time. I would say that for most people, the technical distinction between a 'normal' and 'psychiatric' depression is to ask yourself whether you can well handle the tasks of daily living. Can you work well and relate well with others? Are your eating, drinking, and sleeping patterns healthy? Are you basically able to enjoy life?

If the answer to any of the preceding questions is 'no' then you might well consider changing some aspects of your life.

Even if you do not fit the official definition of 'depression', you can still benefit from an introspective search and commitment to making a positive change for yourself. If however, you are problematically depressed, then you can definitely benefit from a psychiatric intervention. Depression is a problem that has been proven to respond well to therapeutic treatments.

I will be conducting free 'depression screenings' on October 7. If you would like more information about depression, or would like to know whether depression may be impairing your life functioning, then call 992-1330 to set up an appointment. All inquiries are confidential, and you may also request feedback and brochures to take for your loved ones:

If you would like to anonymously inquire about issues regarding yourself or your acquaintances, you may do so by writing to Dr. Boltson. You don't even have to give your name or address. Just mail all questions to:

The National Honor Society and Key Club are participating in the county American Heart Walk, Saturday, October 2. Sixteen students will be raising money in the 6.2 mile walk-a-thon for the American Heart Association. If you are interested, please contact the school office for details!

The co-captains of the J.V. football team (under the coaching of Mike Cunningham, David Rimes, and Dickie Snow) were certainly excited about their victory over the Lions of Zion Lutheran last

Raider Log

By Alexa Lutz
CLUBS, CLUBS, CLUBS

The big item for September at Glades Central has been the organization of clubs. On September 20, during the Teachers As Advisors home-room period, students made the club selections for the 1993-94 school year. Club meetings will be held once a month during the homeroom period. Some of the newly offered clubs are the "Friends, Golf and Sign Language Clubs. The first organizational meetings will be held in early October.

Along the same line, the Glades Central Student Council sponsored a West Area Student Leadership Workshop on September 18. Over sixty students from Glades Central, Pahokee Jr./Sr. High, School of Choice and Lakeshore Middle participated. Led by Dr. Greer, Linda Edgcomb, Student

Canal Point United Methodist Church Holds Charge Conference

The Canal Point United Methodist Church family recently held their annual Charge Conference. The church celebrated this conference with an agriculture theme. During the Charge Conference, Dr. John Simon, District Superintendent and his wife, Carolyn, were in Canal Point to the church reports and to share the goals of the church next year.

Prior to the conference, the church emphasized the agriculture theme in a variety of ways. First, our hats were off to the workers in agriculture here in the glades, and also, to those who work for the Lord. Every person was given a farmer's hat to wear. Then, the following Sunday, the church gave out packets of seeds to remind everyone that just as planting the seed produces fruit, also, the

week. Matthew Snow said, "They didn't have a lot of size, but they had good talent." "They were aggressive and could hit," commented Jason Cunningham. "The turning point of the game was when Justin (Blakey) had an interception in the fourth quarter, Jason continued."

Billy Rimes thought the game was over when the Crusaders had a bad snap on the punt in the fourth quarter. "I knew we had won the game with Justin's interception. It was a fun game," he concluded.

Cesar Ramos said "I think God answered our prayers because we were all praying we'd win this game. It was at home, and we didn't want to let our people down. Our coaches worked us hard and were very pleased that we won. We are happy to have coaches like them. They encourage us and tell us what to do without yelling all the time."

What a great spirit! Until next week—catch it too!

Elementary News

What might one see if happening to be around the elementary classes of Christian Day School? Besides the ordinary routine of Children walking in lines, eating lunch, or busily studying in classrooms, a person could also see a variety of special things.

In Mrs. Rodriguez's kindergarten classroom, and art project of friendly-looking puppies made of milk jugs lined in a row would greet you with their

smiling faces. On Friday, September 24, in the busy classroom, several mothers could be seen helping to make playdough in all colors for the children.

In other classrooms, playdough creatures are there to be admired and impressive "good work" papers shine out from bulletin boards.

In the sixth grade, a pair of hermit crabs have become class pets as part of a study of invertebrates. To culminate this study, on September 29, the sixth graders took a field trip to Butterfly World in Fort Lauderdale. The fourth and fifth graders also took part in the field trip.

In the midst of seeing the bright faces of the eager learners at Christian Day School, this week we also saw the schools American flag at half-mast as we paused to mourn the passing of one of the little Crusaders, Priscilla Martinez, a student in Christian Day School Daycare. Mr. Wright, the faculty, and the students of Christian Day School wish to express deepest sympathy to the Martinez family in the loss of this precious little girl.

To Priscilla, from your friends

"All things light and beautiful.
All creatures great and small.
And all things wise and wonderful,
The Lord God made them all.
He gave us eyes to see them,
And lips that we might tell,
The goodness of the Father,
Who doth all things well."
"All things Bright and Beautiful"

Cecil Francis Alexander.

for the upcoming year. They are: President, Sharon Ricketts; Vice President, Nicole Riggins; Secretary, Michon Wiggins; Assistant Secretary, Letecia McPhee; Treasurer, Mihalisa Jackson; Parliamentarian, Sharkia Brown, and Historian, Beth Buchanan. Plans were made for induction and initiation of new members.

Casts of drama teacher, Sarah Bennett's drama challenge have been meeting every day after school to get their acts together. October 20, will be the big night.

Helpers needed for Alzheimer's Association

The Alzheimer's Association in Pahokee needs Senior Companions to work four hours per day, five days a week with Alzheimer's patients.

The helpers are provided with orientation and training and are used as guides and friends who get together with the patients in the day care program held at Good Shepherd Church of God in Pahokee. There is a reimbursement stipend available for those who serve as senior companions. For more information call 924-7283 between 8:30 a.m. and 5 p.m. weekdays.

GATOR TALES

Stop! Did you feel that nip in the air? Well, maybe not, but it really is autumn - at least by the calendar. You could fool us because it's still hot outside.

Glades Day students are ending their first grading period of this week with final exams scheduled for Wednesday, Thursday and Friday. Results will be sent to parents next week.

The Gators have plenty of reasons to be excited next week as Monday kicks off homecoming activities. This year's homecoming theme is "GATORS IN SHINING ARMOR," a take-off on medieval times. Students in grades 7-12 will be busy build-

ing the best floats for competition in next Friday's Main Street parade at 1:00. May the best class win!

The GATOR GROWL pep rally will be held in the gym next Thursday night after the JV football game against King's Academy. Football fans can stick around and get the varsity team pumped up with excitement for Friday night's game, also against King's Academy. The homecoming court will also be presented. This year's lovely ladies include: Michelle Alvarez, Marcy Angel, Amie Carter, Stephanie McKinley, Carmen Ruiz and Valorie York. One of these will be crowned queen during halftime ceremonies of Friday night's game.

The elementary Student Council elected new officers for the 1993/94 school year. Chosen to lead the way were Kelly Alvarez, president; Mindy Stormer, vice president; Kristen Gilliam, secretary; and John Willis, treasurer. Student Council members are already planning a lot of exciting fund

raising activities so they can sponsor guests such as clowns, magicians and ventriloquists to come perform for the students.

Speaking of performing, the Gatorettes are doing a great job at the home football games. This year's girls have been divided into two groups - the "tiny" Gatorettes who ride their ponies to "Should've Been a Cowboy", and the older Gatorettes, who line dance to "Daddy's Girl." Those who haven't seen them yet are missing a treat. Come on out to the next home football game and watch.

CONGRATULATIONS are in order for the Gator Glee Club and Junior Glee Club officers. Heading the older group is Amie Carter, president; Stephanie Lockhart, vice president; Carman Ruiz, secretary; and Ashley Challancin, treasurer. Leading the junior high members are Alicia Schaper, president; Michelle Herring, vice president; Carla Alvarez, secretary; and Mary-Anne Hollingsworth, treasurer.

Sherry McMillian brings home five trophies in Miss Teen Sunburst Pageant

Sherry Elizabeth McMillian, age 17, was crowned "Miss Teen Sunburst Queen" last week at Jensen Beach, FL. Sherry also won trophies in her age division as the winner of "Most Photogenic", Best Dressed, Best Eyes and Best Hair.

Sherry was born in Belle Glade, lived in Canal Point until she was 3 and has since lived and attended school in Okeechobee. She is a 1993 graduate of Okeechobee High School and works at Okeechobee Discount Drugs delivering medication to the elderly and disabled residents of the county. She is the daughter of Bill and Frances McMillian. Bill McMillian is employed locally at U.S. Sugar Corp. working out of the Eastern Division Field Services Department.

Sherry is the youngest of eight children and was sponsored by her proud brother and sisters. Judging for the competition was on Beauty, Personality and Poise.

In May of this year Sherry also won First Runner-Up in the State Finals of the Florida Miss Teen All American pageant in Miami, FL, as well as a winner in the photogenic category. Sherry said one of the nicest compliments she received was at the Sunburst

Pageant when a grandfather approached her with a young child and said, "My granddaughter wanted to meet 'Cinderella.' Sherry enjoys talking with the elderly and plans on working with abused and rejected children in the future.

Rosenwald Baby Raiders making news

Those irresistible Rosenwald Baby Raiders are making news again. They recently hosted a meeting with Dr. Linda Bedell from the Southern Association of Colleges/ Renewal Council Team. Dr. Bedell along with members of the school's Advisory Council, Innovative Instruction Team and school Improvement Committees. The purpose of her visit was to conduct interviews to determine

the school's readiness to participate in the school renewal process.

Also the Home Instruction for Preschool Youngsters Program (HIPHY) has been awarded two grants generating in excess of \$42,000. Mrs. Judith McInnes the program coordinator received the grants through the MacArthur Foundation "Challenge for Change" and the Community Founda-

tion "Glades Cyclical Project". The grants are to be used for program development and implementation at the villa Lago site as well as starting other HIPHY programs in the surrounding area. South Bay has the distinction of being the first city selected for the innovative program. Currently 60 Villa Lago families are being served through HIPHY.

Until next time.

Read a book a day to keep ignorance away!

A fun day...Members of the Canal Point United Methodist Church enjoyed their Charge Conference last week. From left are Harlan Sears, Pastor Jackie McMillan, and Dr. John Simon.

Church member Cathy Sears got into the spirit of the Charge Conference at Canal Point United Methodist Church recently.

Fruits of their labor...Marie and Eustis, who have worked for Vandergriff Farms for 50 years, are shown with Dennis Wagner at the Charge Conference.

Christian Day Junior Varsity wins first game of the season

Christian Day's junior varsity football team defeated Zion Lutheran 12-6 last Thursday night at Pioneer Park.

Running back Matthew Snow had 67 yards on 16 carries and added four receptions for 38 yards and one touchdown to lead the Crusaders to their first win of the season.

Snow scored the game winning touchdown on 21-yard pass from Billy Rimes with 3:26 left.

Billy Rimes opened the scoring with 1-yard touchdown run late in the first half to give the Crusaders a 6-0 halftime lead.

Zion Lutheran scored their only touchdown on Greg Harris' 1-yard run to tie the score at 6-6 with six minutes left in the fourth quarter.

"It felt great to post our first win," head coach David Rimes said. "The kids dug down deep and did a great job."

Christian Day (1-2) will play at St. Andrews, Thursday at 4 p.m.

Under pressure... is Christian Day quarterback Billy Rimes. Rimes and his Crusader teammates won their first game of the year in dramatic fashion last Thursday night against Zion Lutheran.

Glades Day loses first game of season to Benjamin 31-12.....

By David Ranieri
Sun Reporter

Glades Day lost to Benjamin High School in match up of District 7-1A rivals Friday afternoon at the Buccaneers' home field.

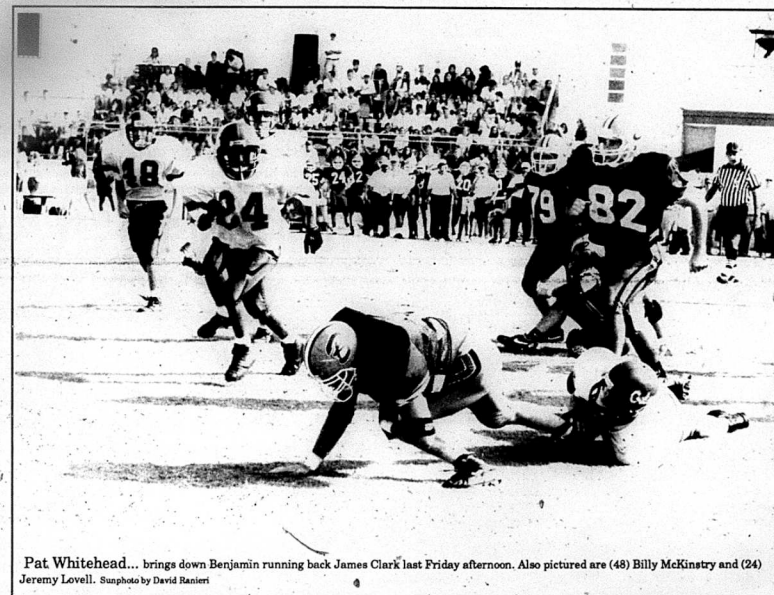

The first half was dominated by defense. The Buccaneers were able to move the football inside the Gators' 20 on two series, but were unable to put the ball in the end zone against Glades Day's defense.

Benjamin drove to the Gators' 1-yard line on Ben Moore's run late in the first quarter, but defensive end Patrick Altman sacked sophomore quarterback Kyle Sheehan on the 7. Benjamin had to settle for a 24-yard field goal by Ted Schuermann.

On the second drive, the Buccaneers were able to drive to the Gators' 15 yard line late in the first half, but Glades Day's defense was able to stuff Moore on a third down-and-three. The Buccaneers decided to go for the field goal, but Schuermann's kick sailed wide left as Benjamin went to the locker room with a 3-0 lead.

But Benjamin's offense could not be contained all afternoon as they exploded for 21 points in the third quarter.

The Buccaneers' offensive line was able to open gaping holes for running backs James Clark and John McClellan as

Pat Whitehead... brings down Benjamin running back James Clark last Friday afternoon. Also pictured are (48) Billy McKinstry and (24) Jeremy Lovell. Scaphoto by David Ranieri

Benjamin rolled up 253 yards on the ground, a majority of which came in the third quarter.

Benjamin took the second-half opening kickoff and

marched 56 yards on three plays as Clark scored on a 15-yard run. Schuermann added the extra point.

The Buccaneers also took advantage of a Gator fumble

and three unsportsmanlike conduct penalties in the third quarter.

Linebacker Joe Boswell recovered quarterback Graham Chancey's fumble on the

Gator 20 on Glades Day's next possession.

Then three plays later, McClellan scored on a 10-yard run. Schuermann's PAT was good and the Buccaneers took

a commanding 17-0 lead.

Tensions began to flare as Glades Day's bench and coaches received three unsportsmanlike conduct penalties following a Gator punt. The penalties gave Benjamin a first down on the Gators' 17.

Three plays later Clark, who rushed for 83 yards on eight carries, scored on a 5-yard run. Schuermann connected on the PAT.

Glades Day's offense was able to manage two touchdowns on the afternoon.

Running back Jeremy Lovell scored on a 44-yard run late in the third quarter and Chancey threw a 5-yard touchdown pass to Lovell on the game's final play.

But the Gators' came up short, falling 31-12. Glades Day (3-1 overall and 1-1 in district play) has dropped four straight to Benjamin, who led the 16-year old series 9-7.

Lovell finished the game with 88 yards on five carries and two touchdowns. Jeff Goodale added 41 yards on five carries.

Chancey was 8-for-19 for 80 yards and one touchdown and no interceptions.

The Gators' will have this weekend off, but hope to get back on the winning track against Moore Haven Friday, October 8 at 7:30 p.m. at home.

Nolan Ryan - One of Baseball's all-time greats retire

By David Ranieri
Staff Reporter

Nolan Ryan's distinguished baseball career came to an abrupt end last Wednesday night against the Seattle Mariners.

Ryan was forced to leave game in the first inning because of a torn ligament in his right elbow, but not before the Mariners pounded him for five runs, including a grand slam by Dan Howitt.

"All I've done really is rehab," Ryan said of this year. "So from a physical standpoint of helping the ball club, I've been frustrated because I haven't been able to help the ball club in the pennant race. And they certainly could have used me."

It is an unfeeling end for one of baseball's all-time greats.

with Ryan. He missed 22 days after surgery on his left knee, 72 days because of a strained hip muscle and 21 days because of a strained rib-cage muscle.

Ryan desperately wanted to win a World Series Championship in his final season for a second rate organization as well as himself.

The last time Ryan appeared in post season action was in 1969 as a reliever in the World Series for the Miracle Mets.

Ryan teamed with two other fine young hurlers, Jerry Koosman and Tom Seaver, to help the Amazin' Mets to a World Series Championship.

But Ryan's career began to flounder after 1969 as the Mets grew weary of his control problems and traded him to the California Angels.

Then Ryan's career skyrocketed and the rest is history. The "Ryan Express" mowed down opposing batters with his menacing fast-

ball and the victories began to mount.

But it was in the twilight of his career with the Rangers that Ryan received the attention he deserved.

Arlington Stadium was a definite sell out when he was scheduled to pitch and most of his games were featured on television. He was one of the few remaining marketable talents that "America's pastime" still had.

Ryan provided the Ranger fans with some fine memories. On May 1, 1991 he became the oldest pitcher to throw a no-hitter at 44 years, three months and one day against Toronto and he also recorded his 300th career victory.

Ryan's career numbers are eye popping:

- a 324-292 won-lost record
- most career no-hitters - seven
- most career strikeouts - 5,714

Sportsmanship what does it really mean.....

The word sportsmanship originates from the word Sportsman...sports*man-1. A participant in sports. 2. One who abides by rules and accepts victory or defeat graciously.

Sports*man*ship - 1. The qualities and conduct befitting a sportsman.

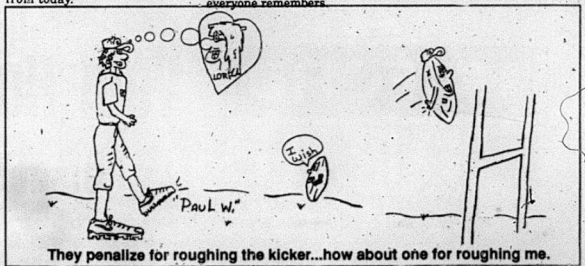

One of the best ways to describe sportsmanship is in the Special Olympics Pledge:

Let me win,

But, if I cannot win,

Let me be brave in the attempt.

Let us all try to remember that some times things may not always go our way and we may get calls that are unfair, and we may not always win, but our sportsmanship will always be what everyone remembers.

Lady Gator's win over Christian Day 2 out of 3 matches.....

Christian Day Crusaders defeated by Terriers 36-8

The Gators' varsity volleyball team defeated Christian Day 15-4, 13-15 and 15-10 on Thursday, September 21 at Glades Day.

The Gators improved their record to 5-3 thanks to the efforts of Lindsey Crews with 11 service points, five aces, 15 kills and two blocks. Jaci Davis added 15 service points (10 in the final game), one ace and 49 sets.

The Crusaders' were led by Tammy Parrish with 10 service points and 20 assists. Krista

Vulgamore added 8 kills and 12 assists for Christian Day that fell to 3-4.

But Christian Day's JV squad was able to gain a margin of revenge as they defeated the Gators' 8-15, 15-9 and 15-3.

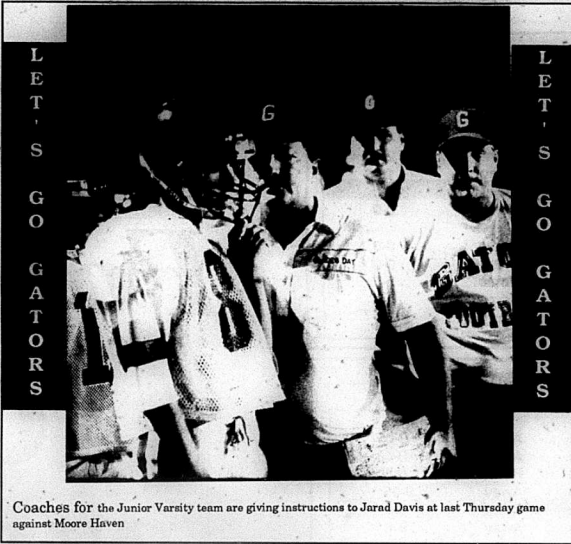

The Crusaders were led by Kelly Walden with 10 service points, including two aces and Laura Shiver had eight service points and six assists.

Erin Meadows added eight service points as Christian Day upped their record to 8-0.

By Dave Ranieri
Christian Day lost to Moore Haven 36-8 last Friday night.

Running back Bubba Wilson had 71 yards on 27 carries and one touchdown and senior Gus Peavy added 64 yards on 17 carries for the Crusaders.

Christian Day will host St. Andrews, Friday night at 7:30 p.m.

Coaches for the Junior Varsity team are giving instructions to Jarad Davis at last Thursday game against Moore Haven

Pahokee victorious over LaBelle 30-14

Pahokee defeated LaBelle High School 30-14 Friday night at home.

Senior running back LaTarence Webb rushed for 159 yards on 17 carries and three touchdowns. Webb scored on runs of 59, 14 and 10 yards.

Quarterback Tyrone Richardson threw for 80 yards and two touchdowns and senior wide receiver Tyrone Smith added six receptions for 54 yards and one touchdown.

The Blue Devils are now 4-0 overall, 2-0 in the district and ranked No. 2 in the state Class 2A poll.

Pahokee will play at William T.

Friday Night Heros

• Glades Central tight end Nathaniel Freedman had three catches for 88 yards in the Raider's win over Okeechobee High School.

• Pahokee quarterback Tyrone Richardson threw for 80 yards and two touchdowns in the Blue Devil's win over previously unbeaten LaBelle.

• Glades Day quarterback Graham Chancey was 8-for-19 for 80 yards and one touchdown in the Gators' loss to Benjamin.

• Christian Day running back Gus Peavy rushed for 64 yards on 17 carries in the Crusaders' loss to Moore

Thursday Night Heros

• Chrisitan Day running back Mather Snow had 67 yards on 16 carries and added four receptions for 38 yards. Snow scored the winning touchdown on a 21-yard pass from Billy Rimes with 3:26 left.

• Glades Day running back Stacy Cox rushed for 287 yards on 26 carries and scored all five of Glades Day's touchdowns.

The earliest known mention of tea appeared in Chinese literature of about A.D. 350.

Fans are always there to cheer their Junior Varsity gators to Victory. This week they were very much satisfied with the performance of their team.

Students at Christian Day rally to give support to their team Friday afternoon.

Stacey Cox this weeks top preformer from Glades Day.....

By Dave Ranieri
Staff Reporter
Stacey Cox is this week's top performer for Glades Day School.

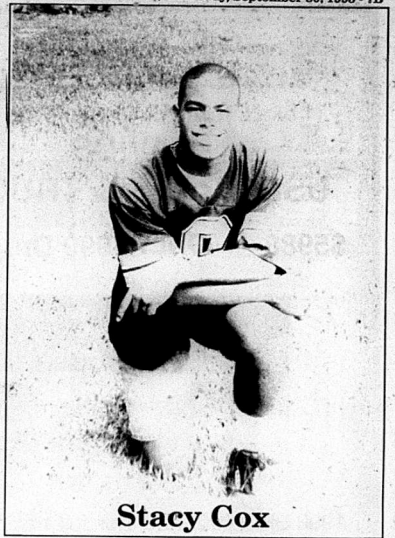

Stacy is a freshman this year and looks forward to next years big move to Varsity.

Cox rushed for 287 yards on 26 carries and five touchdowns in the Gators' victory over Moore Haven last Friday night.

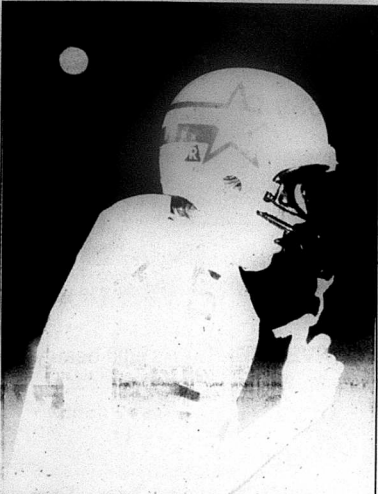

Cox scored on runs of 35 yards, 20 yards, 9 yards, 3 yards and one yard.

He was also a force on the defensive end as well. He recorded four tackles and two assists.

Cox hopes to have another big game against John Carroll, Thursday night at home at 7p.m.

Stacy Cox

Mathew Snow caught the game winning touch down pass from Billy Rimes for Christian Day Junior Varsity First win of the season.

This unknown cameraman and two friends stop to pose for our camera man.

WESTERN PALM BCH. COUNTY HONOR ROLL BELLE GLADE & PAHOKEE AREA SCHOOLS ELEMENTARY, JR. & SR. HIGH SCHOOL

PHOTO	PHOTO	PHOTO
JOHN CHILDS CHRISTIAN DAY	TOM SMITH GOVE ELEMENTARY	MIKE BENNETT PAHOKEE HIGH

Let Western Palm Beach County know of your students special achievements. Place their photo in our Special Feature, "The Western Palm Beach County Honor Roll".

This feature will appear in The Sun newspaper every six weeks following report card period.

Parents are able to place a snapshot of their "award winning" child for just \$10.00. The child's parents' and school names will appear along with the type of award.

You will also receive a complimentary copy of The Sun that week with the Honor Roll listings and snapshots.

Share your child's Special Achievement with over 8,000 readers.

Fill out coupon below and send payment and a snapshot of the student to: *The Sun*, 417 N.W. 16th Street, Belle Glade, FL 33430 or drop it by our office. We are located in the White's plaza on S.R. 715, in Belle Glade.

Enclosed Snapshot And: Please Circle Boy or Girl

Glades Day's JV beats Moore Haven

Glades Day's junior varsity football team defeated Moore Haven 20-8 last Thursday night.

Freshman running back Stacey Cox ran for 287 yards on 26 carries and five touchdowns as Glades Day overcame a 14 point first quarter deficit and six fumbles: Cox scored on runs of 35 yards, 20 yards, 9 yards, 3 yards and 1 yard.

The Gator defense was led

by: Todd Griffin with three tackles and four assists, Thomas Norman had two tackles and five assists, Stacey Cox had four tackles and two assists and Duke Tucker added four tackles and two assists.

Johnny Blakeney had an interception and Thomas Norman added a fumble recovery.

Glades Day now 3-1 will host John Carroll, Thursday at 6 p.m.

Freshman quarterback Heath Norman... attempts a pass against the Terriers' defense last Thursday night. Glades Day defeated Moore Haven to improve their record to 3-1.

If your lawn is less than lush, proper fertilization and watering can help.

G D's junior high volleyball team wins two out of three matches

Glades Day School's junior high volleyball team won two of three matches last week, defeating Summit Christian and Christian Day, before losing to LaBelle Middle School.

After the Gators fell behind 15-4 in the first of the match against Summit Christian, eighth grader Michelle Herring served 12 of 16 points in the second game for the 16-14 win. The players rallied on another five service points from Herring and seven from

Katrina Johnson to win the third game and the match, 15-10.

The Gators came from behind again in their match against Christian Day when they lost to the Crusaders 15-8 in the first game, but shut them out in the second set to force a tie-breaker.

Herring had nine service points, including six aces. GDS then took the third game when seventh grader Julie Baumgartner served an ace for a 15-12 win. Herring scored six

service points and Cristina Lockhart another five enroute to the victory.

Kelley Vickery was the big player for Christian Day, serving eight straight points in the first game. Cindy Wetherington served eight points in the third game.

The Gators' fell to 2-2 when LaBelle Middle School defeated the girls 15-7, 15-10 on Thursday, September 23. Cristina Lockhart had a total of six service points and Julie Baumgartner added six in the Gators' loss.

WHIPLASH

Whiplash injuries can result from a sudden backward and forward whipping movement of the neck, caused by an auto collision, a fall, a powerful slap on the back, or even a violent sneeze. The ligaments and muscles controlling the spinal segments are stretched or sprained, allowing the vertebrae to slip into abnormal positions. Nerves are then "pinched" or irritated, giving rise to headaches, nausea, dizziness and other pain.
